ACCESSIBILITY

Service animals are allowed. However, due to the size of the crowd, we do suggest leaving your other furry friends at home.

The Smithier Park space has green space and is set away from the main festival for a quiet moment.

A SENSORY GUIDE TO ZINE FEST HOUSTON

Events like ZFH can be very busy and intense!

Here are some tips to help you prepare.

NOISE

It's going to be loud and crowded, so we suggest bringing headphones/earplugs which can help reduce noise.

We'll have earplugs at the info booth for those that forget to bring some!

VENUE

It's an old building, partly outdoors, and it can get crowded! The space is covered, but be prepared for possible windy, cold, or hot conditions depending on the weather.
