

A SENSORY GUIDE TO ZINE FEST HOUSTON

Events like ZFH can be very busy and intense!

Here are some tips to help you prepare.

Noise

It's going to be loud and crowded, so we suggest bringing headphones/earplugs which can help reduce noise.

We'll have earplugs at the info booth for those that forget to bring some!

V E N U E

It's an old building, partly outdoors, and it can get crowded! The space is covered, but be prepared for possible windy, cold, or hot conditions depending on the weather.

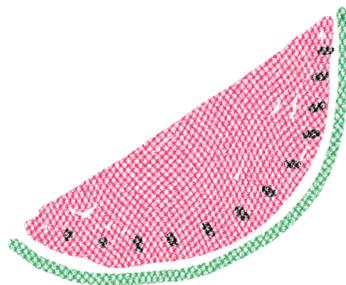

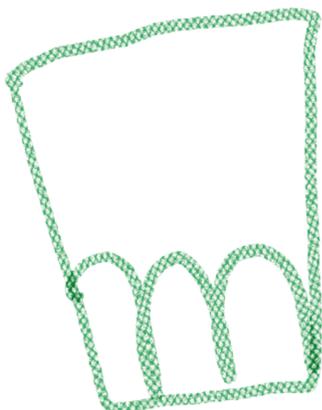

HYDRATION + FOOD

We will have drinks and food available for purchase, but feel free to bring your own snacks and drinks.

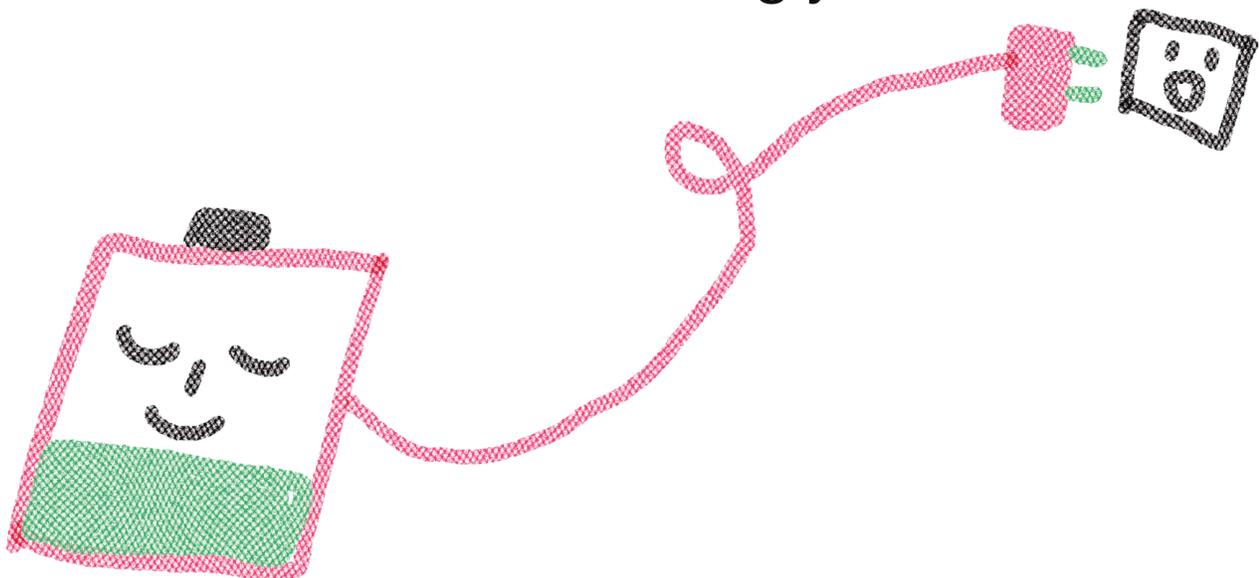

Stay hydrated!

POWER / CHARGING

While we have designated charging stations at the Info Booth near the festival entrance, access to outlets is limited so prepare accordingly!

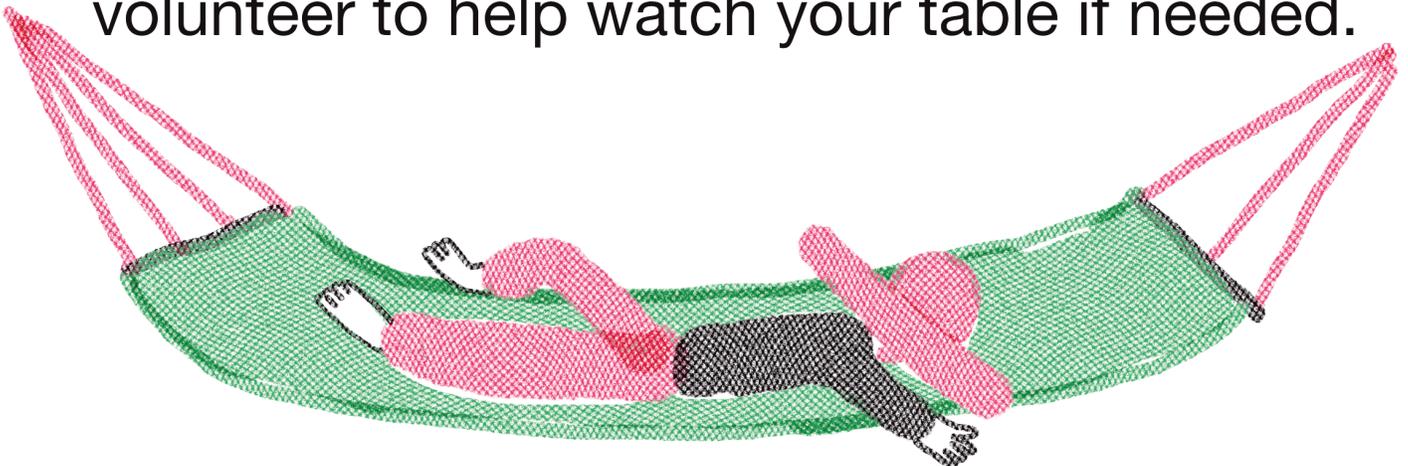

BREAKS

Take a break anytime!

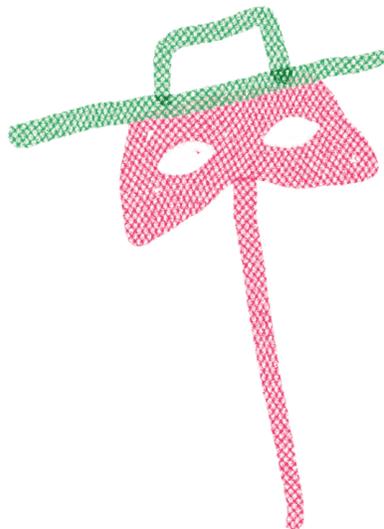

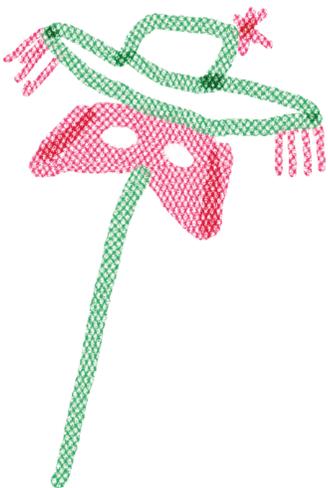

The Smither Park space has green space and is set away from the main festival for a quiet moment.

For vendor support, please alert a ZFH volunteer to help watch your table if needed.

MASKS

Masks will be available at the info booth if
you need one.

ACCESSIBILITY

Service animals are allowed. However, due to the size of the crowd, we do suggest leaving your other furry friends at home.

**TAKE CARE OF
YOURSELF.**

**ENJOY THE FEST
AT YOUR OWN PACE!**

If you have any questions or concerns please
reach out to info@zinefesthouston.org.

Thank you!
